(888) 966-MMCC

Providing Quality Metric Industrial Products & Exceptional Customer Service Since 1963

Fasteners ● Wrenches ● Cutting Tools ● Measuring Tools ● Tubing/Fittings ● Assortments

California Proposition 65

California proposition 65 requires its residents be protected from certain elements that are in some products sold in the State of California and are known to cause cancer, birth defects, and other possible harm.

The items distributed and sold by Metric & Multistandard Components Corp. may have some of these elements present in small amounts. We have contacted our suppliers to identify any products that may contain elements that require a warning according to CA Prop 65 and will provide the appropriate warning label when needed.

More information can be found on the California Government Websites:
